

**It's Groundhog Day!**

**J**anuary 30, 2022  
**4<sup>th</sup> Sunday in Ordinary Time**

**S**t. Oscar Romero (1917-1980) was a “Salvadoran Roman Catholic archbishop who was a vocal critic of the violent activities of government armed forces, right-wing groups, and leftist guerrillas involved in El Salvador’s civil conflict (Encyclopedia Britannica).” As a voice of the voiceless, he was an outspoken champion of the poor who were the ones most affected by the civil unrest and violence. His advocacy provoked several attempts on his life. Nonetheless, St. Oscar Romero was convinced that before all else his faith in the resurrected Christ and the values of the Gospel trumped any earthly concern or worry. He walked with complete confidence and trust. On March 24, 1980, St. Oscar Romero was assassinated while celebrating Mass. Such is often the fate of those who challenge the socio-political agendas of the day.

We may look at the example of witness of St. Oscar Romero as something extraordinary. In one sense it is. Through the power of God, an ordinary human being did extraordinary things. But, in and of himself, St. Oscar Romero was simply a humble, loving servant of God. Oscar knew not only the power of love but the risk that comes when loving unconditionally. The beauty of God’s message was able to shine in and through him because he was able to step out of the way and be a vessel. One can assume that for St. Oscar Romero, one’s earthly life has no merit when faith, integrity, conviction, zeal and love are jettisoned. Fear and apprehension had no grip on this man who not only saw but spoke the truth.

Do we speak the truth? It makes us feel good to speak of God as love. But have we ever considered the ramifications of this radical message? There are assaults on human life occurring daily. More and more the value and worth of a human being is being reduced and minimalized. We are becoming widgets in the production of life. In our whole simple humble ways, we too are called to be prophets. Knowing who you are and what is within your means to do, how can you make God’s love real, stand up for what is right, and give witness to the sacredness of all that is around you?

PURIFICATION B.V.M

also called  
CANDLEMAS

“

Candlemas, also called Presentation of the Lord or Presentation of Christ in the Temple or Hypapante, Christian festival on February 2 commemorating the occasion when the Virgin Mary, in obedience to Jewish law, went to the Temple in Jerusalem both to be purified 40 days after the birth of her son, Jesus, and to present him to God as her firstborn (Luke 2:22–38). The festival was formerly known in the Roman Catholic Church as the Purification of the Blessed Virgin Mary and is now known as the Presentation of the Lord. In the Anglican church it is called the Presentation of Christ in the Temple. In the Greek church it is called Hypapante (Meeting), in reference to Jesus' meeting in the Temple with the aged Simeon.

The earliest reference to the festival is from Jerusalem, where in the late 4th century the Western pilgrim Etheria attended its celebration on February 14, 40 days after Epiphany (then celebrated as Christ's birthday), and wrote of it in the *Peregrinatio Etheriae*. It soon spread to other Eastern cities, and in 542 Justinian I decreed that its date should be moved back to February 2 (40 days after Christmas). By the middle of the 5th century the custom of observing the festival with lighted candles had been introduced, and the name Candlemas developed from this custom. In the Western church, Pope Sergius I (687–701) instituted the festival in Rome. In the East it is primarily a festival of Christ. In the West it was primarily a celebration of the Virgin Mary until the calendar reform of 1969.”

# **G**ROUNDHOG DAY? **PURIFICATION? CANDLEMAS?**

Here is something from Miriam Webster Dictionary.com

“This custom of trusting a hibernating animal to prognosticate the arrival of spring is believed to have European roots and, incidentally, falls on the same day as the Christian feast of Candlemas. In both events, light is significant: it creates shadows and guidance. Allow us to elucidate.

Groundhog Day was officially recognized in the United States during the late 1800s and was popularized in Punxsutawney, Pennsylvania, by news media. As decades of repeated stories tell, if the famous Punxsutawney groundhog ("Phil") sees its shadow on the second of February, there will be six more weeks of winter; if not, there will be an early spring. We're not meteorologists, but the science behind this forecast is questionable. You can draw the same conclusion by simply looking out a window in Punxsutawney on February 2. It just so happens that shadows occur on sunny days.

Candlemas is observed on the same day as Groundhog Day, and it commemorates the occasion when the Virgin Mary, in accordance with Jewish law, went to the holy temple in Jerusalem both to be purified 40 days after the birth of her son and to present Jesus to God as her firstborn. The festival was formerly known in the Roman Catholic church as the Purification of the Blessed Virgin Mary but is now known as the Presentation of the Lord. In the Anglican church, it is called the Presentation of Christ at the Temple in Jerusalem. In the Greek Church, it is called Hypapante (a word for "meeting"), in reference to Jesus' meeting in the temple with the aged Simeon, to whom it had been revealed that he would not die before the meeting of the Messiah. Since ancient times, a procession of lit candles has observed the day, whence the name Candlemas, and the observance comes from Scripture deeming Christ as "a light to lighten the Gentiles, and the glory of thy people Israel."

“If Candlemas day be sunny and bright, winter will have another flight; if Candlemas day be cloudy with rain, winter is gone and won't come again. “

## LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Prophets possess an intimate knowledge of God and act on their experience of God. Prophetic messages usually challenge the status quo and draw us up and out of ourselves, focusing us on the bigger picture. We often think of ourselves and our own needs first. When we listen to someone speak, we judge the merit of the message by its degree of usefulness. If the message or vision contains no personal benefit or profit but a call to stretch and grow, we can become indignant. Prophets are usually the ones whose message challenges us and calls us to see things differently and love more perfectly and deeply. God is love. When listening to St. Paul speak about love we witness the unfolding of this type of unconditional, other centered, self-sacrificial perfect God. It is an invitation to life, freedom, and happiness that can be offered to us only by God. Jesus, who is God and Love incarnate, calls us to this richer expression of love. Are we ready to listen and be challenged and stretched?

### SAINT OF THE WEEK

#### **St. Blaise | February 3**

You may be familiar with the annual “blessing of throats” that many parishes in the United States use to commemorate the beloved bishop and martyr. St. Blaise lived in the fourth century in Turkey and Armenia. Due to religious persecution, he was forced to flee and hide in a cave in the back country in order to save his life. History has it that one day a group of hunters stumbled upon where St. Blaise was living. They found the bishop kneeling in prayer, surrounded by wolves, lions and bears that he had tamed. The legend has it that as the hunters dragged Blaise off to prison, a mother came with her young son who had a fish bone lodged in his throat. At Blaise’s command, the child was able to cough up the bone and thus lived.

Today we remember the saint on his feast day by taking two candles, crossing them against the throat, and saying the following prayer:

*Through the intercession of St. Blaise, bishop and martyr, may God deliver you from ailments of the throat and from every other evil. In the name of the Father, and of the Son, and of the Holy Spirit. Amen.*

# LAMPSTAND

We are inviting you to share your experience of 'Faith' by submitting your own article as a light for others to see by. Some have asked if there can be 'humor' in the article. YES! It is your own personal reflection as 'Church'. Please consider offering your thoughts; email at [info@stcoletteparish.com](mailto:info@stcoletteparish.com) Or drop it off in the collection or parish office. THANK YOU!

In 1959 I married my wonderful Catholic husband although I was not Catholic at that time. My husband was in the USAirForce and we moved often. In 1976 we were stationed at Tinker Air Force Base in Oklahoma where we lived in a civilian housing area adjacent to the base. Our children attended religious education classes after mass each Sunday. Rather than drive home and turn around and come back we just stayed at church as did some other parents. We were joined by Sister Bridget who was in charge of the education program for the children of the military families. We started to have some lively discussions while we waited for our children. So great was this nun that she sparked an interest and lit a fire under me to consider joining the church. The two hundredth anniversary of our country was year one of when I became a Catholic. Sincerely,  
Marilyn Dlugos

**Thanks for the sharing!**

## The Lampstand

As a child I was brought up Catholic but wasn't raised in a religious environment. Did attend catechism classes but didn't really understand I always had a negative attitude until I was 36 years old and married the love of my life. There, I learned how I could do anything I wanted. By changing my attitude, I became an 18-year cancer survivor, a much better person, took religion much more seriously, added many "true" friends. And the best part I joined St. Colette's Church and have broadened my religious understanding thanks to Fr. Krizner. I, for one, never miss a work of his homilies! With the Lord by my side, I am a better person and know I will take on my present bout with cancer head on. Thank you, Lord, for guiding me and thank you, Fr. Krizner and St. Colette parish for helping me understand.
